INSTITUTIONS	PROGRAMMES	TOTAL FEE RANGE

Presented by **Edvancea Global**

Fees from official university fee schedules (2025–2027). Subject to change by each institution.

How to read this guide

1 · Total fee

The RM figure is the total cost of the whole programme as published by the university. What it includes differs by institution — the blue "Fee basis" line under each university tells you exactly.

2 · Year-wise, EMGS & other fees

Where the university publishes it, each programme is split Year 1, Year 2… The two boxes under every table show the EMGS/visa fee and other fees (registration, admin, deposits) and whether they are already inside the total.

3 · Flags

Older fee schedule = the sheet is from 2024/2025. Calculated = we multiplied a yearly fee by duration. Always reconfirm before paying.
