MALAYSIA FEE GUIDE 2026

Foundation & Pre-University

Foundation, A-Level & matriculation programmes at Malaysian private universities, semi-public universities and diploma colleges — every programme, every institution, in one place.

48	155	RM 5k – 65k
INSTITUTIONS	PROGRAMMES	TOTAL FEE RANGE

Presented by **Edvancea Global**

Fees from official university fee schedules (2025–2027). Subject to change by each institution.

How to read this guide

1 · Total fee

The RM figure is the total cost of the whole programme as published by the university. What it includes differs by institution — the blue "Fee basis" line under each university tells you exactly.

2 · Year-wise, EMGS & other fees

Where the university publishes it, each programme is split Year 1, Year 2… The two boxes under every table show the EMGS/visa fee and other fees (registration, admin, deposits) and whether they are already inside the total.

3 · Flags

Older fee schedule = the sheet is from 2024/2025. Calculated = we multiplied a yearly fee by duration. Always reconfirm before paying.

BEFORE YOU DECIDE

Four things every student should check

01 Confirm the fee

Fees here are copied from each institution's official international fee sheet. Universities revise fees — your offer letter is the final word.

02 Budget for living

Plan separately for accommodation, food, transport, insurance and the yearly visa renewal.

03 Scholarships are conditional

Discounts and scholarships depend on intake, results and English level. Ask us which ones you actually qualify for.

04 English requirement

Admission without IELTS may be possible, but some universities still require an English course or test after arrival.
