ONE VISA · A THOUSAND DREAMS

MALAYSIA FEE GUIDE 2026

Online & Distance Learning (ODL)

100% online programmes you can study from home with a Malaysian degree — Foundation, Diploma, Bachelor, Master and PhD.

23	146	RM 6k – 83k
INSTITUTIONS	PROGRAMMES	TOTAL FEE RANGE

Presented by **Edvancea Global**

Fees from each institution's official fee schedule (ODL sections). Online study normally needs no student visa.

How to read this guide

1 · Total fee

The RM figure is the total cost of the whole programme as published. What it includes differs by institution — the blue "Fee basis" line under each institution tells you exactly.

2 · Year-wise, EMGS & other fees

Each programme is split Year 1, Year 2… The two boxes under every table show the EMGS/visa fee and other fees (service fee, entrance, hostel) — these are not inside the tuition total unless stated.

3 · What is ODL?

Open & Distance Learning = 100% online study for a recognised Malaysian qualification. You study from home; most ODL students do not need a student visa, so EMGS fees are small or nil.

BEFORE YOU DECIDE

Four things every student should check

01 Confirm the fee

Fees here are copied from each institution's official international fee sheet. Universities revise fees — your offer letter is the final word.

02 Budget for living

Plan separately for accommodation, food, transport, insurance and the yearly visa renewal.

03 Scholarships are conditional

Discounts and scholarships depend on intake, results and English level. Ask us which ones you actually qualify for.

04 English requirement

Admission without IELTS may be possible, but some universities still require an English course or test after arrival.
